

PRESENTERS

BLAINE BETTINGER

Blaine Bettinger, Ph.D., J.D., is a professional genealogist specializing in DNA evidence. He is the author of the long-running blog *The Genetic Genealogist*, and frequently gives presentations and webinars to educate others about the use of DNA to explore their ancestry. Blaine is the author of *The Family Tree Guide to DNA Testing* and *Genetic Genealogy*, and co-author with Debbie Parker Wayne of the award-winning *Genetic Genealogy in Practice*, the world's first genetic genealogy workbook. Blaine will headline our Genealogy Down Under roadshow (Australia) in 2019.

DR MAURICE GLEESON

Maurice was voted Genetic Genealogist of the Year 2015 (*SurnameDNA Journal*) and Superstar Genealogist, Ireland 2016 (*Anglo-Celtic Connections*). He runs a variety of Y-DNA Surname Projects (for the surnames Gleeson, Farrell, Spearin, Maloney, O'Malley, among others), helps adoptees find their birth families, organises the DNA Lectures at Genetic Genealogy Ireland each year, and has popular educational videos on YouTube about the use of DNA as a genealogical tool. His background is as a doctor, psychiatrist, pharmaceutical physician.

CYNDI INGLE

Cyndi is the creator and owner of the award-winning web site *Cyndi's List of Genealogy Sites on the Internet* "www.CyndisList.com", a categorized index to more than 333,000 online resources. In its first three years, *Cyndi's List* was three times voted the best genealogy site on the World Wide Web. It helps millions of visitors worldwide each month

WAYNE SHEPHEARD

After 40 years as a geologist Wayne spends most of his time on family history research. This has resulted in the pioneering publication *Surviving Mother Nature's tests: The effects climate change and other natural phenomena have had on the lives of our ancestors*. The subject of his talk at this conference is *Genealogy and the Little Ice Age*.

BROUGHT TO YOU BY UNLOCK THE PAST

Unlock the Past began in 2009 as a collaborative venture involving a team of expert speakers, writers, organisations and commercial partners to promote history and genealogy through major events, publishing and online directories.

Since 2010 Unlock the Past has run over 130 events, including expos, roadshows, regional seminars, history and genealogy cruises around the world – even Australia's first ever battlefield tour. They've published over 100 guide books and handy guides for researchers, all of them offered in print and ebook editions.
