Mary Roddy has been a genealogist since 2000. She earned a certificate from the Genealogy and Family History program at the University of Washington in 2005. She lectures frequently on various genealogical topics in the Seattle area and at conferences across the country. She has written a number of articles for Internet Genealogy, Family Chronicle (now Your Genealogy Today) as well as Speak! (the publication of the Genealogical Speakers Guild) and FGS Forum. Mary also writes a regular blog at www.mkrgenealogy.com/searching-for-stories-blog.
