

The Grays Harbor Genealogical Society presents

# Genealogy Workshop

## Benefitting Research Library

The Grays Harbor Genealogical Society is sponsoring a **two-class workshop** with professional genealogist Pam Vestal. All proceeds from the workshop will go to recovery efforts related to the catastrophic loss of their Research Library on June 9, 2018 at the Aberdeen Armory. Classes are:

- **Finding What You Need and Making the Most of What You Find.** With so much information available to us today, it can be hard to know how to find what we seek, or what to do with it after we've found it. Discover an assortment of techniques that can help you search the internet more successfully, extract those useful genealogical nuggets from your documents, organize what you've found, and evaluate your evidence.
- **Voting Records.** Looking for a date of birth or death? The date and court of naturalization? Where your ancestor disappeared to, or where he came from? Voting records may have the answer. These often-overlooked gems can be packed with genealogical information, and you won't believe what they can tell us about our ancestors!

**Saturday, October 13, 2018**

**1:00—3:15 p.m.**

**American Legion Hall**

**112 W. First St., Aberdeen, WA**

**\$25 per person / \$15 for GHGS members**

Pam Vestal is a professional genealogist and speaker from West Linn, Oregon, and the owner of Generations Genealogy, LLC.

After 20 years as a professional writer, Pam turned her full attention to her longtime love of genealogy.

Her articles have appeared in the Association of Professional Genealogists Quarterly and her lectures have taken her all over the country.

When she isn't giving presentations or researching on behalf of her clients, she offers private training to those seeking to improve their research skills.

This workshop is sponsored by the Grays Harbor Genealogical Society. For more information about this workshop or other programs, contact:
