President's Award for Outstanding Achievement

The Washington State Genealogical Society President's Award for Outstanding Achievement is designed to single out that rare individual, society or organization who has demonstrated exemplary service above and beyond expectations.

The following recipients have:

- Exhibited long-term, consistent service in the field of genealogy, family or local history, the genealogical community, records preservation or made an important single contribution in those areas that will endure into the future.
- Demonstrated a high degree of energy, commitment, flexibility, and professional conduct.
- Provided significant support and impact to the local genealogical community time and time again.
- Exhibited personal influence and example to society members and/or the general public with their unselfish service.
- Supported or advanced local or statewide genealogical research.

We are proud to honor the following recipients of the WSGS President's Award for Outstanding Achievement:
