President's Award for Outstanding Achievement

The Washington State Genealogical Society President's Award for Outstanding Achievement is designed to single out that rare individual, society or organization who has demonstrated exemplary service above and beyond expectations.

The ideal recipient of the President's Award for Outstanding Achievement has:

- Exhibited long-term, consistent service in the field of genealogy, family or local history, the genealogical community, records preservation or made an important single contribution in those areas that will endure into the future.
- Demonstrated a high degree of energy, commitment, flexibility, and professional conduct.
- Provided significant support and impact to the local genealogical community time and time again.
- Exhibited personal influence and example to society members and/or the general public with their unselfish service.
- Supported or advanced local or statewide genealogical research.

Nominations may be submitted by any individual, local society or organization, regardless of WSGS membership. Nominees do not have to have been officers in their local societies.

Two letters of recommendation must be submitted with the nomination form. Additional documents may be attached, if relevant. Nominations are due 01 Aug 2025 to Info@wasgs.org.

Nominations will be reviewed by the WSGS Board of Directors, resulting in a recommendation to the WSGS President who will make a final decision.

The President's Award will generally, but not necessarily, be awarded each year. The award will be announced 21 Aug 2025. The recipient will receive a recognition award and their name will be engraved on the perpetual plaque.

For more information about the WSGS President's Award for Outstanding Achievement, email Roxanne Lowe at Info@wasgs.org. Please put "President's Award" in the subject line.
